RE: Application of Duke Energy Carolinas, LLC for Approval of Energy Efficiency Plan
Including and Energy Efficiency Rider and Portfolio of Energy Efficiency Programs
(Docket No. 2007-358-E)

Dear Mr. Terreni:

On November 9, 2007, we submitted petitions to intervene in the above-captioned matter on behalf of the Southern Environmental Law Center ("SELC"), the South Carolina Coastal Conservation League ("CCL") and the Southern Alliance for Clean Energy ("SACE"). This letter is to advise the Commission that SELC, SACE and CCL intend to pre-file expert testimony in this docket, and therefore do not expect to require substantial additional time for presentation of direct testimony at the hearing. SELC, SACE and CCL (collectively) expect to require approximately 45 minutes for cross-examination of each of the Applicant's witnesses, and approximately 25 minutes for cross-examination of each of the other parties' witnesses.

By copy of this letter, we are notifying all parties of record of this information. If you have questions, please do not hesitate to contact either of us.

Sincerely,

A handwritten signature in dark ink, reading "J. Blanding Holman, IV (GT)". The signature is fluid and cursive, with the initials "GT" in parentheses at the end.

J. Blanding Holman, IV
